We would like to extend a very warm welcome to Oscar in Fox Class and Emily in Hedgehog Class who started at Sherborne Primary School after half term; they have both settled in really well.

The children have enjoyed visiting the BBC's Springwatch site this week. The Hedgehogs were first to visit on Wednesday, viewing the production studio where they saw camera screens showing the secret lives of our local wildlife. They visited the studio sets where the presenters sit, and as they have been watching Wild Academy live, they were thrilled to see the actual 'Bug Hotel' that was created during filming.

On Thursday, Fox Class also walked up Clapton Hill to the BBC production village where they met the presenter of Wild Academy, Maddy and were photographed with her. Next Monday the Owls will have their turn.

This has been a busy week for Y56. On Tuesday afternoon, they took part in the Junior Engineer Challenge workshop where they were tasked to make an electronic car. On Wednesday morning, Year 6 pupils were taken to Gloucester Cathedral for the annual Leavers' Service. They were accompanied by Mrs Priest and Mr Cadbury who kindly volunteered to drive.

In Forest School today, KS1 thoroughly enjoyed pond dipping and were lucky enough to find dragonfly larvae and lots of water boatmen and pond skaters. They also cleared the pond of all the leaves and algae. Meanwhile the Y56 cricket team set off for Bourton Cricket Club to play in the open Kwik Cricket Festival. They did very well. Next Friday, a girls-only team will play in Cirencester. How's that?!

It has been lovely to see the children working so hard on their Maths Passports, please do keep up the good work – it is really having an impact on their maths fluency.

Finally, can we make one last appeal for volunteers for the 10k Run and Fun Run? Thank you so much for all those who have signed up so far – the event is a big fundraiser for the school.
