The Girl's Cricket Team, captained by Stella, have just returned from Cirencester. Although they didn't make the final, they beat Sapperton Primary School and played extremely well. They also had the best score of the year against Rissington School despite losing the game.

Congratulations to Sophia, Jonty and Jamie who have qualified to compete at county level in the Athletics Final on 26th June in Cirencester.

The Hedgehogs have been busy this week, not only creating their own beach, but also making and adding, boats and maritime flags for display in their classroom. This morning during Forest School, they

witnessed the first signs of summer, collecting seven different types of flowering grasses.

In Owl class, rehearsals have started for the end of year production which will be held at Great Barrington village hall on Thursday, 12th July. All pupils will be taking part in a dress rehearsal the day before, 11th July, if we have any volunteer drivers who would be available to help transport pupils from the school to Great Barrington, please let the office know.

The Owls will soon be visiting Viney Hill for their residential trip on the 27th June. Year 5 and 6 will spend two nights away and enjoy a variety of new sporting and team building activities.

For any parents who would still like to order the whole school or leavers' photographs, orders can be made online on the Tempest Photography website, please ask Mrs Parker for the password required to access our pictures.

As the end of the academic year approaches, we would ask any pupils who received an end of year trophy last summer, to kindly return them as soon as possible to allow time for engraving the names of this year's winners. Also to remember to check your ParentPay accounts as they must remain in credit before the end of term.
