Another incredibly busy week at the school saw pupils in Hedgehog Class attend a 'Toplink' Festival on Thursday. Meeting pupils from other schools across the North Cotswolds, the children took part in a range of activities devised and run by Year 5 and 6 pupils. Our Sports Leaders **Esme, Holly, Jamie, Jonty, Leolie** and **Oliver** put together activities involving hoops and golf, and really encouraged pupils from all schools to have a go and do their best. As always, the behaviour of our pupils was excellent and the Hedgehogs reported having a fantastic afternoon.

This week, Mrs Ellis and Mrs O'Kane have been out visiting children who will be starting in

Reception in September 2018. The school is likely to have a large group, with eight places already allocated and four pupils currently going through the appeals process. The popularity of the school continues to grow and our projections are for a school of approximately sixty pupils in September. We continue to pursue our plans for the two new classrooms, and the trim trail will be relocated onto the school field next week in preparation for this.

The manager from Local Highways visited the school on Wednesday following a complaint from one of our neighbours, who was understandably upset when a parent parked across their driveway. Please may I remind parents again that they should park in the Sherborne Social Club car park and definitely not around the War Memorial or across our neighbours' driveways. Your support in this matter is greatly appreciated.

Sunday, 24<sup>th</sup> June is a big day in the sporting calendar: The Sherborne 10k and Fun Run! If you are available for a few hours on Sunday morning to help out, or if you would like to participate in either event, please speak with Mrs Parker or visit the school website for more details.

Finally, a 'save the date': Thursday, 19<sup>th</sup> July at 6pm is the school's second annual 'Cheese and Wine' evening, where we celebrate the achievements of the pupils, recognise individual performance and outline the school's priorities for the next academic year. The event was a huge success last year and extremely well attended, and this year promises to be just as memorable.
