- 17th Owl Class K'Nex Challenge
- 19th End of Term 1
- 29th Start of Term 2
- 30th School photos – individuals and siblings

We would all like to extend a very warm welcome to Alex in Year 1 and to all of the new Reception pupils who have joined us this week in Hedgehog Class. They are all settling beautifully and enjoying their first week at school.

The new academic year has started with our 150<sup>th</sup> year celebrations. Today has been a wonderful day which started with a special assembly to mark the occasion, followed by a whole school photograph, shown below.

In class, all year groups have compared and discussed, how they think a typical school day would vary in the past, present and future. They

have expressed ideas on how the world will look in another 150 years, the year 2168.

Everyone enjoyed a picnic lunch in the playground and shared the food kindly donated by parents. Thank you for your generosity.

After lunch, children split into groups to play games from the past such as hoop and stick, skipping, a potato race and bowing down to the King and Queen.

A time capsule was buried to demonstrate life in Sherborne Primary School in 2018. Items included a picture of the whole school and grounds, letters from pupils and staff, this week's school dinner menu and popular toys and objects.
