- 19<sup>th</sup> Preschool Film Evening
- 19<sup>th</sup> End of Term 1, 3.15pm
- 29<sup>th</sup> Start of Term 2
- 30<sup>th</sup> School Photographer

Another busy week at Sherborne saw Owl Class take part in a 'body percussion' day, Fox Class preparing for their tag rugby tournament, Hedgehog Class making some beautiful landscape collages and our start of year service.

Today, we welcomed **Belle, Diego, Henry, Iola, Jack, James, Luis, Ruby, Tristan and Will** to the school at our start of term service. Mrs Ellis and Mrs O'Kane are incredibly pleased with how well the children have settled into life at Sherborne and have been impressed with the children's efforts at writing their names and drawing their homes.

On Tuesday, children in Years 5 and 6 visited Rendcomb College to learn how to make (pleasant) sounds using their body! The children were taught how to use their feet, hands and face to create different sounds, culminating in a performance with children from other schools at the end of the day. We were fortunate enough to be treated to a rendition of their mellifluous sounds today during our church service. A big thank you to Mrs Cox, who helped with transport and stayed with the children and Mrs Priest for the day.

On Thursday, Mrs Ellis and Mr Moore attended a training session in Cardiff to prepare for our Erasmus+ Project. On Wednesday 26<sup>th</sup> September, children will take part in a 'European Languages' day and parents are invited to join our celebrations at 2pm, where Mrs Ellis will present the aims of the project. This will be followed by a 'European Café', where parents and children are invited to taste different foods from across Europe.

Many thanks to all the parents for parking considerately and away from the war memorial at the beginning and end of the school day. This is much appreciated by the school and our neighbours.

Finally, on Wednesday of this week, the school's governors met to discuss the new school vision and mission statements. Once finalised, these will be shared with pupils and parents so everyone is included in setting the school's aims and direction for the future.
