Today all pupils took part in the Harvest Festival Service at Sherborne Church. Imogen and Esme gave readings on the history of the festival; Owl class gave a fantastic performance of 'The Flying Pizza'; Fox class gave an amazing performance of 'The Rainbow People'; Hedgehog class performed wonderfully with 'The Enormous Turnip' and Reception class bravely handed out bread that they had all baked especially for today. Mr Moore demonstrated the concept of sharing, comparing amounts in other countries of the world. Thank you everyone for your donations which will be taken to the charity 'Foodbank' in Guiting Power.

This week we had a visit from athlete, Eden Francis, who came to inspire the children and raise funds for 'Sports for Champions'. The children completed their sponsored fitness challenge and raised over £600 for the cause. They had a go at throwing a light shot put, Holly threw the furthest out of the girls at 15.2 meters whilst Alex beat the other boys with 13.45 metres. See the reverse of the newsletter for an article from Papoula who enjoyed the day enough to write all about it.

Next Tuesday, 9th October at 9am, the school immunisation team will be in school to administer nasal flu vaccinations. The scheme is open to all pupils in Reception through to Year 5 but cannot go ahead without parental consent. If you have not done so already, please remember to visit the following website to give consent online, or collect a paper form from the office by the end of the school day on Monday.

Next week we will have our parent consultation meetings. These are just a ten minute chat with teachers to see how your child has settled in, and to raise any queries that you may have. We are all very proud of their efforts so far and hope you will enjoy seeing the first steps they have made in their new classes. If you haven't done so already, please sign up for your time slot in the school porch.

Enjoy the weekend!
